To Whom It May Concern,

Arch-System Fabrication Pty Ltd
WOOLWORTHS WINDSOR MARKETPLACE
6 Kable Street, Windsor NSW 2756

This letter serves to confirm that Arch-System Fabrication Pty Ltd were recently engaged by Taylor Construction Group to undertake the Aluminium Window and Door Subcontract works at the new Woolworths Windsor Marketplace project.

The works generally consisted of Aluminium Windows and Doors throughout the project, also including:-

- Skylight atrium glazing;
- Automatic entry doors to mall;
- Architectural Glazed feature screen to Kable street facade;
- Tenancy shopfronts including Woolworths Liquor store to Woolworths Supermarkets requirements;

It was a pleasure to again work with Craig Chidgey and the team at Arch-System Fabrication on this particular project.

We look forward to working with them again on future projects should the opportunity arise and would not hesitate in recommending them to any Builder or Client that requires a quality glazing installation on their project.

Should you have any queries please contact the undersigned.

Regards
